

THE ESSENTIAL MOVING CHECKLIST FOR A SUCCESSFUL MOVE

Moving into a new home requires a lot of **coordination and cooperation** for everything to go smoothly. You may know what you need to do, but you might not know when you need to do it. That's where having a **moving and packing checklist** is a significant advantage. Here's a full breakdown:

1

Three Months Before You Move

- Start purging your belongings
- Collect packing supplies
- Create a moving budget

2

Six Weeks Before You Move

- Decide how you'll move
- Start researching moving companies
- Throw away unwanted items

3

One Month Before You Move

- Start spreading the news
- Start collecting boxes
- Think about any new furniture you'll need

6

Moving Day

- Enjoy the experience

5

One Week Before the Move

- Clean your old place
- Clean your new place

4

Three Weeks Before You Move

- Start packing
- Rent your truck

7

One Day After Moving

- Check your utilities
- Inspect your new home
- Clean your new home
- Set up the essentials

8

One Week After You Move

- Secure your home
- Change your address
- Find healthcare providers

9

Two Weeks After The Move

- Recycle your packing materials
- Meet your neighbors

As a national moving company with more than 40 years of experience as an agent for North American Van Lines, we know what's at stake when it comes to relocating. If you or your family are moving, rest assured that we offer the premier residential moving services in Texas. If it's your business that's changing addresses, we provide the most comprehensive corporate or commercial moving services in Texas.
